WELCOME TO THE FOX INN

The Fox Inn is an 18th Century pub, set in the heart of the peaceful village of Matching Tye. The pub has a 50 seat restaurant full of old world charm, and with the renovation of an old barn, we have created a 40 seat function room, which is available for private hire and is suitable for conferences, small weddings, parties and other gatherings. We can offer a range of food options from finger buffets to 3 course meals and will always try to accommodate your needs.

We have also added 12 luxury en-suite guest rooms to the rear of the pub, perfect for saving weary travellers the effort of getting home late at night and equally useful for just escaping the chaos of every day life.

We hope you enjoy your meal, and look forward to seeing you again.
